STUDENTS REPORT

Dt:- 12.12.2022

VISIT TO DOLIOSIS HOLOSTIC MEDICINE AND FOODS PRIVATE LIMITED COMPANY.

Our college, Dhanvantari Homoeopathic Medical College had organized a tour as an industrial visit to Doliosis industry, on 10/12/2022.

DOLIOSIS HOLISTIC MEDICINE AND FOODS PRIVATE LIMITED -

ABOUT-

This industry is manufacturing company which makes highest quality of homoeopathic medicines.

It was established by Dr. Khedkar on 12 Feb 2000. Now, he is a consultant and advisor there as it is now owned by Mandar Patil Sir.

Industry is situated in an area of about 5000sq. feet.

Doliosis is a Greek word where "Dolos" means pain and "Isos" meaning similar.

The industry has following –

I. WASHING AREA –

Here, sterilized phials are checked and cleaned with purified water.

II. LABORATORY –

This section is concerned with preparation of medicines , dilutions etc. whirl potentiation is done.

III. LABELLING AND PACKAGING –

Capping of phials is done with the help of capping machine. Labelling is done manually and packaging with straping machine.

IV. STORAGE -

Packaged products are stored in racks with proper arrangement.

V. ALCOHOL STORING ROOM -

It is a dark room where about 5000 l of alcohol is stored at a time with proper precautions.

VI. RAW MATERIAL ROOM -

Here all the raw material such as phials, bottles, caps, boxes and droppers are stored.

VII. MAIN PRODUCTS OF DOLIOSIS ARE -

- 1) Liquid complexes
- 2) Tonics
- 3) Syrups

CONCLUSION -

It was a very informative visit. We had a great experience. We practically saw the things which were explained to us theoretically . Our most of doubts were cleared by Mandar Patil Sir. Thanks to our teachers for organizing such a amazing industrial visit and for guiding and supporting us.

Supporting staff -

1. Dr. Sangeeta Patil Mam - Physiology Department
2. Dr. Afroz Shaikh Mam - Pharmacy Department
3. Dr. Mohit Jain Sir - Pharmacy Department

- 2.To get an idea about effective functioning about INDUSTRY / BAKERY and , safety measures , Hygiene , management and requirements.
- 3.Approaches to teaching or learning and assessment: Field visit to INDUSTRY / BAKERY

Aim and Objectives:

- 1 The guiding objective for INDUSTRY / BAKERY production, hygiene , workers Health , safety management.
2. Quality Bakery products should be produced from healthy environment using management practices that are sustainable from an social, economic and environmental perspective.

5. To inspire students for their involvement in study during the said visits to learn the related process.

Learning outcomes:

Bakery is traditional products and occupy an important place in food processing industry. Bakery products are become a common item of consumption among all classes of people. Despite of the fully automatic and large capacity of bakery plant, large section of people, especially in semi-urban and rural areas, still prefer fresh bakery products from local bakery as they are low in cost and offer many varieties. Thus, bakery industry has potential in terms of jobs, household oriented business opportunities, as well as providing a wide range of cake, bread and biscuit at relatively low price with high nutritional value.
