Describe the efforts of the Institution in celebrating /organizing National and International commemorative days and events and festivals within 500 words.

In our institution, we celebrate National and International Events and Festivals every year. Cultural activities provide the chance to develop skills beyond reading and writing. They help students to acquire new skills that can be applied to their lives, such as leadership, teamwork, collaboration. All students forget their differences and celebrate these festivals with unity and hence national festivals are the backbone of democracy. These events and festivals plays important role in our society. With these national and international events, Institute initiated Cultural activities because it provide students opportunities to express themselves, build confidence, and develop social skills that are essential for their development, and it is important to consider them as a crucial part of the education. Following is a summary of events taken by institution:
