NOTICE REGARDING BAN ON USE OF PLASTIC:

 **DHANVANTARI HOMOEOPATHIC MEDICAL
COLLEGE AND HOSPITAL & RESEARCH
CENTRE, NASHIK.**

Date: 04/07 /2023

NOTICE

It is hereby informed to all BHMS students of Dhanvantari Homoeopathic medical college and hospital & research centre, Nashik that **No Single Use Plastic materials are allowed in our campus.** Plastic with thickness less than 75 micron is non-recyclable and hence it causes damage to our environment and micro particles of plastics are hazardous to our health.

We will strive to reduce and eventually eliminate the use of plastic bottle in our campus and encourage the use of water bottle that can be refilled.

It is an effort to inculcate the practice of nature conservation so everyone is requested to kindly cooperate and replace the plastic goods with environment friendly alternatives.
