## Tree Plantation Report

Venue---Sound Garden of Maharashtra University of Health Sciences, Nashik

Objective---To make surrounding area of university green.

Motto---one student ---one plant

On occasion of 1<sup>st</sup> May 2022 [Maharashtra Day], Maharashtra university of Health Sciences, Nashik had arranged tree plantation programme.

This activity also comes under AJADI KA AMRUT MAHOSTAV.

Activity--- For this activity, students from various colleges had gathered in University campus. Registrar of MUHS Mr.Kalidas Chavan had given specific area for every college for tree plantation. Area given for tree plantation to our college was--- Sound garden.

Each student had allotted specific area to plant a tree. At 7.5am every student planted tree. It was immense joy on face of students after planting a tree.

Total 750 students participated in tree plantation programme.

Benefits of tree plantation---

- 1.To save endangered biodiversity.
- 2.Trees provide shelter to birds.
- 3.Trees are excellent source of oxygen.
- 4.Trees can control temperatures
- 5.Trees can become a new habitat for habitat
- 6.Trees, forests can provide natural filtration for water.
- 7.Trees can slow down process of heat trapping of carbon dioxide in our atmosphere.
- 8.Trees gives off oxygen that we need to breathe.
- 9.Trees improve the quality of air and filters harmful pollutants & gases.
- 10.More trees will reduce effect of flooding.

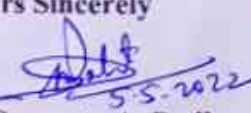

Total number of students participated of our college --- 64 students

## REPORT OF SWACHAATA PANDHARWADA [SWACCHATA PAKHAWADA

Government of India had instructed to organize Swacchata Pandharwada [Swacchata Pakhwada] programme in every college across country.

Objectives of Swacchata Pandharwada----

1. To bring intense focus on issues & practices of cleanliness.
2. To bring awareness about cleanliness in students.
3. To teach the students about need & importance of clean environment.
4. To make sure that, no part of campus was left unclean & unnoticed.
5. To involve every teaching & non teaching staff in cleanliness drive.

So Dhanvantari Homoeopathic Medical college had arranged this programme.

For this programme, all second year students were taken to clean the college campus from 1<sup>st</sup> August 2022 to 15<sup>th</sup> August 2022..

Every day, small group of students had allotted an area of our college to clean it.

VENUE---CAMPUS OF DHANAVANTARI HOMOEOPATHIC MEDICAL  
COLLEGE & HOSPITAL

PARTICIPANTS--- All second year students

TEACHERS INVOLVED---Dr. Aarati Kitkule & Dr. Abhishek Pagare

Details of activities are as follows---

1. 1/08/2022---Cleaning the herbal garden area of college.

Pagare  
NHS S Programme  
Co-ordinating

  
Principal

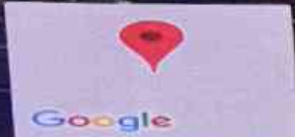

- 2.2/08/2022—Cleaning the herbal garden area of college.
3. 3/08/2022—Cleaning the entrance are of college.
- 4.4/08/2022—Cleaning front area of the college.
- 5.5/08/2022---Cleaning the YOGA room of the college.
- 6.6/08/2022---Cleaning hospital area of the college.
- 7.7/08/2022---Cleaning steps of library of the college
- 8.8/08/2022--- Cleaning front area of the college
- 9.9/08/2022---Cleaning the OPDS of the college

## VAACHAK PRERAK DIN REPORT

To,  
The Director,  
Student Welfare Department,  
Maharashtra University of Health Sciences, Nashik,  
Vani Dindori Road, Nashik

### SUBJECT- CELEBRATION OF VAACHAK PRERAK DIN

Respected sir,

on occasion of birthday of Late Dr.A.P.J.Abdul Kalam,

Dhanavantari Homoeopathic Medical College & Hospital, Nashik celebrated his birthday as

### VAACHAK PRERAK DIN.

Every year of students participated in this activity.

For this activity ,some students of each year read autobiography of Abdul Kalam .Some students read motivational stories of Swami Vivekananda,C.V.Raman & Bhagat Singh in their respective classes.

Students participated enthusiastically in this event.

Following are the advantages of reading---

1. Reading improves ability to focus & concentration.
2. Consistent reading improves your vocabulary of words by introducing new words while reading.
3. Reading before going to bed calms your mind,anxiety & improves quality of sleep.
4. Reading can decrease stress ,lowers heart rate, reduces blood pressure.
5. Reading a variety of topics can make you more knowledgable person, in turn improves your conversation skills.

P.T.O.

6. By reading autobiographies of legendary people who have overcome challenges, can motivate us to never give up attitude & stay positive.
7. Reading can set a positive example for children—Children are excellent at mimicking adults around them which means that if you regularly set aside some time for reading, your children will do the same.
8. Depression relief—Self help books will help patients with depression can aware patient about self, minimize isolated feeling.
9. Regular habit of reading books in aged people can maintain their cognitive function & prevent occurrence of dementia or Alzheimers disease.
10. Reading engages a number of different areas in our brains & helps build & strengthen our mental muscles.

**NSS 7 DAYS SPECIAL CAMP**  
**FIRST DAY ACTIVITY—TREE PLANTATION**  
**BATCH—A & BATCH B**  
**ACTIVITY—TREE PLANTATION**  
**DATE—27 TH JANUARY 2023**  
**VENUE—AT DHUMANE LAWNS AREA**

**ACTIVITY—**

We, 3<sup>rd</sup> year BHMS students started our journey from Nashik to Dhumane lawns by bus.

We arrived at Dhumane lawns around 11 am.

After taking breakfast, Dr. Seema Patil madam guided us about tree plantation. She also told us the areas where to plant the trees.

There were 20 plants available for tree plantation. Plants include rose, periwinkle, sunflower, guava, papaya, hibiscus etc.

We divided ourselves into two groups. We also divided our work like few boys were going to dig for tree plantation, few girls were going to remove the sand from small pit. Few girls were going to sprinkle the water to plants.

All the students enjoyed this activity very much.

Benefits of tree plantation—

- 1] Trees regulate the water cycle of earth.
- 2] Trees provide vital habitat for wild life.
- 3] Trees prevent soil erosion.
- 4] Trees prevent the noise pollution.
- 5] A diverse range of birds, insects & mammals have adapted to their environment over centuries. They are completely reliant on trees & forests.
- 6] Trees contribute to their environment by providing lot of pure oxygen & thus improve air quality.
- 7] During the process of photosynthesis, trees taken in carbon dioxide & produce oxygen for breathing.
- 8] Trees can reduce air temperature evaporating water & absorbing carbon dioxide & blocking sunlight.
- 9] Decaying leaves promote growth of soil microorganism & provide nutrients to plant growth.

**NSS 7 DAYS SPECIAL CAMP**  
**SECOND DAY ACTIVITY—CLEANLINESS PROGRAMME**  
**BATCH A**  
**VENUE—VANARWADI, TALUKA—DINDORI, DISTRICT—NASHIK**

**DATE—28 TH JANUARY 2023**

**TOUR IS ABOUT—CLEANLINESS PROGRAMME**

**ACTIVITY—** 28 th January 2023, we ,the students of 3<sup>rd</sup> year BHMS from Dhanavantari Homeopathic Medical College, Nashik had gone to village, Vanarwadi. Mr.RahulGangurde was there to guide us about village.

GramsevakMr.SamadhanShewale guided us about which area of village to clean.Then, we divided our group into three subgroups.

One group went for primary school of Vanarwadi to clean it.Second group went to panchayatoffice&Vitthal -Rakhumai temple to clean it.Third group went to clean anganwadi.

We went to primary school ofVanarwadi& met the principle & told him our purpose of coming here& cleaned the school under his guidance.During cleanliness programme, we collected plastic bottles,plasticpapers,etc. All these waste materials were disposed into dustbins.

After completing the cleanliness programme in school, all the children of the school gathered in school ground.One of the NSS student gave a beautiful speech on importance of cleanliness in front of children.

At the same time, another group cleaned the panchayat office. Here,students collected stones which were scattered around panchayatoffice.Students also collected plastic papers & plastic bottles & disposed in dustbin.After this activity,students swept the temple.Some of students of this group removed grass around the temple& disposed it properly.

Third group visited anganwadi.Anganwadi teacher MrsLalitaDeshmukh told us which area to clean.Students collected waste plastics,plasticwrappers ,plastic papers & disposed it into dustbin.Then,students collected pieces of glass bottles & disposed it properly.After completing this activity, we intereacted with anganwadi teachers about cleanliness & importance of cleanliness.

**BENEFITS OF CLEANLINESS—**

- 1] Cleanliness gives a fresh & good look to our confidence.
- 2]Cleaning the environment automatically boost our self confidence
- 3]Cleanliness prevents dangerous infectious disease by keeping away microbes,germs& mosquitos etc.
- 4]Cleanliness reduces the entry of rats,cockroaches& other insects.
- 5] Cleanliness is a habit & a social responsibility.
- 6]A clean environment in school contributes to a healthy environment for students to learn.
- 7]Cleanliness is essential for healthy & disease free living.
- 8]Good personal hygiene is one of the best ways to protect oneself from getting villness

- 9] Cleanliness is a habit of maintaining our body, home & surroundings neat & clean.
- 10] Cleanliness is needed for environment & progress of the nation.

**SECOND DAY ACTIVITY—CLEANLINESS PROGRAMME**

**BATCH – BATCH B**

**ACTIVITY—CLEANLINESS PROGRAMME**

**DATE—28 TH JANUARY 2023**

**VENUE—1] PRIMARY SCHOOL OF MADAKI JAMB**

**2] PRIMARY HEALTH CENTRE [UPKENDRA] OF MADAKI JAMB**

**3] COLONIES OF VILLAGE NEAR PRIMAY HEALTH CENTRE**

**4] GRAM PANCHAYAT OF MADAKI JAMB**

**ACTIVITY—**

**1] ACTIVITY IN PRIMARY SCHOOL OF MADAKI JAMB—**We [BBATCH] started our journey from Dhumane lawns at 9.45am. We reached at around 10am. Of Madaki Jamb. Then Dr. Abhishek Pagare sir contacted upsarpanch of Madaki jamb –Mr. AnilWadase & asked him where to do activity of cleanliness. Mr. AnilWadase sent Mr. Gangurde with us to go to primary school for cleanliness. Dr. Abhishek S Pagare met the principle of primary school Mrs. Chaaya Patil. She guided us which areas of school are to be cleaned. Students cleaned campus of school. At end of Activity, Dr. Pagare sir & one student Miss Dhanshree Patkar gave valuable suggestions regarding cleanliness & personal hygiene.

**2] ACTIVITY IN PRIMARY HEALTH CENTRE [UPKENDRA] OF MADAKI JAMB—**

After the cleanliness activity of primary school with guidance of Mr. Gangurde, we reached to primary health centre [upkendra] of Madaki Jamb. We cleaned the campus of primary health centre [upkendra]. Our students gathered the waste materials which was scattered around PHC. We also collected broken bottles, papers etc. & threw it into dustbin.

**3] ACTIVITY NEAR COLONIES OF PHC—**

After cleanliness activity in PHC, our students collected waste papers, bottles plastic bags which was scattered around colonies of primary health centre [Upkendra] of Madaki Jamb.

**4] ACTIVITY IN GRAM PANCHAYAT OF MADAKI JAMB—**

When we reached near gram panchayat, we divided ourselves into 2 sub groups. One group swept rooms of gram panchayat & other group collected waste papers, plastic materials, plastic wrappers which was scattered around gram panchayat. Then, threw it into dustbin.

**BENEFITS OF CLEANLINESS—**

- 1] Cleanliness gives a fresh & good look to our surroundings.
- 2] Cleaned environment automatically boost our self confidence.
- 3] Cleanliness prevents dangerous infectious diseases by keeping away all the microbes, germs & mosquitoes.

- 4) Bathing is a very crucial activity for maintaining our personal hygiene.
- 5) Cleanliness reduces the entry of rats, cockroaches & other insects.
- 6) It helps us to maintain a good health & also keeps our surrounding area clean.
- 7) A clean & healthy society is very essential for Environment & progress of nation.
- 8) Cleanliness is a habit & also a social responsibility.

**NSS 7 DAYS SPECIAL CAMP  
THIRD DAY ACTIVITY-SURVEY  
BATCH A**

**VENUE-VANARWADI, TALUKA-Dindori, District-Nashik**

**DATE—29TH JANUARY 2023**

**TOUR IS ABOUT—SURVEY**

For survey, we gathered at front gate of Dhumane Lawns. Dr. Abhishek S Pagare gave us valuable instructions for the survey. Then, we went to Vanarwadi.

We started our survey from the entrance of the village itself. First of all we introduced ourselves and explained the purpose of our visit. After that, we started collecting their names. Then other information was collected which includes, age of family members their mobile numbers, address, then whether they have hypertension or not, also diabetes heart disease, TB, Asthma, etc. Recorded whether or not. We checked people's hands and eyes for Anemia. Those who had history of heart disease were examined by stethoscope. We also used a thermometer if there is fever. After this, information was collected whether the members of the family have been vaccinated or not. Finally, we took their signs and gave them a brief idea of the next activity and gave information about the location, time & date of camp.

We collected all this information by dividing the group into small subgroups. Like, two students in each house went to collect information. In this way we collected all the information

**BENEFITS OF SURVEY**

- 1] Health surveys provide specific information about the epidemiological situation, health trends, life habits, and the use of health services from the patients point of view.
- 2] One of most notable benefits of surveying patients is simply letting them know you're listening to them.
- 3] Health survey will help us to identify your strengths.
- 4] Health survey is helpful to improve performance.
- 5] Health survey provide specific information about the epidemiological situation, health trends, life habits & use of health services from patients point of view.
- 6] A health survey is a tool used to gather information on the behavior of a specific group of people from a determined area.
- 7] It is helpful to guide planning of national regional or local health programs.
- 8] Performing patient surveys is the perfect opportunity for providers to identify potential shortfalls in the health care experiences they deliver.

**NSS 7 DAYS SPECIAL CAMP**  
**THIRD DAY ACTIVITY—SURVEY**  
**BATCH – BATCH B**  
**ACTIVITY—SURVEY**  
**DATE—29 TH JANUARY 2023**  
**VENUE—MADAKI JAMB VILLAGE**  
**ACTIVITY—**

We [batch—B] had done the survey in Madaki Jamb village. It was 3<sup>rd</sup> day of NSS camp. Batch B is divided into 6 groups by Dr. Abhishek S Pagaresir. Each group went for survey in different areas of village. Division of students into small groups made us easy for the survey.

Then, we had printed survey form which made us easy to collect the information. Members of different groups went to different houses to collect information. In survey, we collected following information which included—

- I] Name of patient
- II] Age/sex
- III] Address
- IV] Literate/Illiterate
- V] Contact no.
- VI] And some of the clinical conditions include—
  - 1) Hypertension
  - 2) Diabetes Mellitus
  - 3) Heart disease
  - 4) Anemia
  - 5) Tuberculosis/Asthma

Survey form also includes – information about vaccination – whether the person is vaccinated or not vaccinated.

People of village were very co-operative during our survey. During this survey, we came to know different—different health complaints. We also came to know that many children were anemic.

Most common complaints, which we came to know during survey, were Hypertension, Anemia, Diabetes Mellitus, and eye complaints.

Old age people were suffering from joint pains.

After gathering valuable information, of about people of village, we also told them about the free school health check up & free general health check up in upcoming 2 days in that village. We had told them about medicines will be given in general health check up camp.

**BENEFITS OF THE SURVEY---**

- 1] It gives information about sufferings of people.
- 2] Survey also helped us that, how to start conversation with the patient.

- 3] During the survey, we can also identify our strengths & drawbacks.
- 4] Taking repetitive surveys enhances potential & experiences in health care.
- 5] Surveys can yield a great range of data & researchers can use this information for research.
- 6] Numerous questions can be asked about a subject, giving extensive flexibility in data analysis.
- 7] Conducting surveys are cost effective.
- 8] Survey made it easy to diagnose the disease.

Following patient we seen in the survey ,

**NSS 7 DAYS SPECIAL CAMP**  
**FOURTH DAY ACTIVITY-FREE SCHOOL HEALTH CHECK UP**  
**BATCH A**

**VENUE-PRIMARY SCHOOL OF**

**VANARWADI, TALUKA-Dindori, District-Nashik**

**DATE—30<sup>TH</sup> JANUARY 2023**

**TOUR IS ABOUT—FREE HEALTH CHECK UP SCHOOL CAMP**

**ACTIVITY—**

On 30<sup>th</sup> January 2023, our activity was to visit the school & conduct a free health check up of school children. For this activity, we reached primary school, Vanarwadi. We talked to principal of primary school of Vanarwadi. Mr. Rahul Gangurde helped us to arrange the tables & chairs properly.

We contacted anganwadi teacher Mrs. Lalita Deshmukh & gave her an idea about the camp. Camp started in an area of school premises.

The camp was conducted under the supervision of Dr. Manisha Patil & Dr. Snehal Kapadnis. We did health check up of children between 1<sup>st</sup> std to 5<sup>th</sup> std. Health check up mainly include preliminary data, past history, family history, presenting complaints,

clinical examination, diagnosis & prescription.

We examined total 63 students in this health check up. Common health complaints which we found were cold & cough, dry skin, white spots on face, anaemia.

**BENEFITS OF HEALTH CHECK UP CAMP—**

- 1] Regular health check ups will help the person to prevent illness & its complications.
- 2] A regular health check up can save our money.
- 3] Health check up camp provides free & high quality medical services for these poor population.
- 4] Camps make sure people are getting health care at right time.
- 5] By taking regular health check ups, there is possibility of early detection of life threatening diseases.

**NSS 7 DAYS SPECIAL CAMP**

**Fourth DAY ACTIVITY—SCHOOL HEALTH CHECK UP**

**BATCH – BATCH B**

**ACTIVITY—SCHOOL HEALTH CHECK UP CAMP**

**DATE—30TH JANUARY 2023**

**VENUE—AT PRIMARY SCHOOL OF MADAKI JAMB**

**TOUR IS ABOUT—FREE SCHOOL HEALTH CHECK UP CAMP**

**ACTIVITY—**

On 30<sup>th</sup> January 2023, we took free health check up camp at primary school of Madaki Jamb. In morning, we went to that school & met principle madam Mrs. Chaaya Patil of school.

We requested madam for permission of free health check up of school.

The camp was conducted in school premises.

In camp, we examined children from 1<sup>st</sup> std to 7<sup>th</sup> std. Our data includes height, weight, presenting complaints [if present], past history, personal history, family history, clinical examination, diagnosis & prescription. We found out mainly cough, coryza, dry skin, white spot on face, stomachache, vomiting etc. in this health check up.

We checked ~~221~~ children in this health check up.

**Benefits of free health check up—**

- 1] It helps doctors to evaluate properly the functioning of various organs of our body like liver, kidney, heart & thyroid.
- 2] It helps in identification of skin related diseases & addresses them right away.
- 3] It provides free medical advice, medicine to the unfortunate people & refers for specialized treatment or surgery whenever required.
- 4] Camp makes sure people are getting health care at right time.
- 5] Regular health checkups will help us to reduce risk of potential health ailments & prevent the cost of surgery or any complications.

**NSS 7 DAYS SPECIAL CAMP**  
**FIFTH DAY ACTIVITY—FREE HEALTH CHECKS UP CAMP**  
**BATCH – BATCH A**

**VENUE—In front of Vitthal-Rakhumai temple,**

**VANARWADI, TALUKA—Dindori, District—Nashik**

**DATE—31st JANUARY 2023**

**TOUR IS ABOUT—Free health check up camp**

**ACTIVITY--** On 31st January 2023, we the students of 3<sup>rd</sup> year BHMS from Dhanvantari Homeopathic Medical College, Nashik had gone to village, Vanarwadi along with teacher Dr. Rupali Shimpi & intern Sanjana Bankar. We arranged camp in the hall in front of Vitthal-Rakhumai temple.

Gramsevak Mr. Samadhan Shewale helped us for arrangement of camp. He provided us a chairs & table. We arranged chairs & table properly.

Before actually starting camp, some of students informed to people regarding camp. In camp, we totally examined total 12 patients. Diseases from which people were suffering from astigmatism, hypermetropia, arthritis, rheumatism etc.

Our case history includes preliminary data, chief complaints, personal history, past history, family history, systemic examination, clinical examination, diagnosis, investigation & prescription.

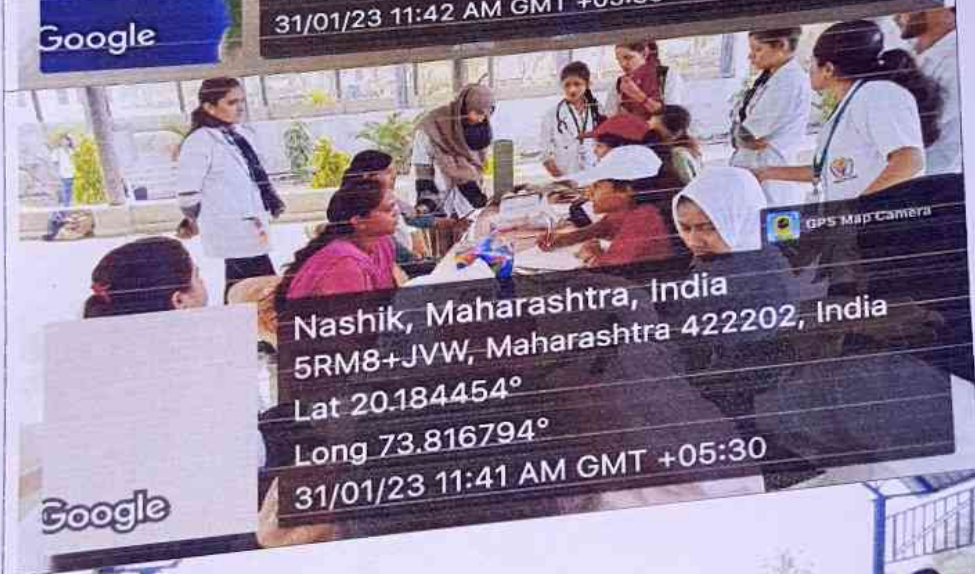

**BENEFITS OF MEDICAL CAMP--**

- 1] It provides free & high quality medical services for the poor population.
- 2] Medical camp can be quite helpful in area of natural disasters.
- 3] Regular health camp can raise awareness about health in community.
- 4] Regular medical camp can also be helpful to find out rare & severe cases.
- 5] Health examinations & tests at early stages of illness can help to cure it faster.
- 6] Regular medical camps in a particular region will be helpful to find out of prevalence or incidence of any disease.
- 7] Medical camp can be helpful to educate the people how to prevent the infectious diseases.
- 8] Medical camps in rural area improves the quality of life for underprivileged people.
- 9] Medical camps provide free medical advice to people regarding diet & regimen.
- 10] Those who can not afford expensive treatment, can take treatment at camp at a very cheaper rate.

NSS 7 DAYS SPECIAL CAMP

FIFTH DAY ACTIVITY—GENERAL MEDICAL CAMP

BATCH – BATCH B

ACTIVITY—GENERAL MEDICAL CAMP

DATE—31ST JANUARY 2023

VENUE—AT MARUTI MANDIR OF MADAKI JAMB

TOUR IS ABOUT—CONDUCTING GENERAL MEDICAL CAMP

ACTIVITY—

We [BATCH B] Visited to Madaki Jamb village for general medical camp. After reaching village, Dr. Abhishek S Pagare contacted uparpanch of Madaki Jamb Mr. Anil Wadase. Then, Mr. Wadase arranged some chairs & tables for medical camp at Maruti Mandir.

Some of students had placed tables & chairs properly. We divided our group into many subgroups. One group of students were taking blood pressure of every patient. One subgroup of students were taking weight of patients. One subgroup of students were taking case of patients.

One sub group of students were dispensing medicines.

During this medical camp , we came across many patients who were suffering from anemia, skindisease, joint pains & ophthalmic complaints.

Some of the people visited this camp only for general health check up. Dr. Abhishek S Pagare sir & Dr. Ruta Patharkar madam guided us throughout the camp.

All the people of Madaki Jamb were very happy to see that ,this free medical camp was organized in their village. All students were also very enthusiastic throughout the camp.

Benefits of medical camp---

- 1] It provides free medical advise to the people.
- 2] It also provides medicines to unfortunate people.
- 3] This camp makes sure that people are getting health care at right time.
- 4] It can be considered as a life saving programme.
- 5] It reduces the risk of people of getting sick.
- 6] It detects potentially ,life threatening health conditions or diseases in early stages.
- 7] It increases chances for treatment & cure.
- 8] It helps to reduce stress & anxiety of people about disease & health problems.
- 9] Regular camps will reduce the financial burden that people may experience when trying to access health services.
- 10] Medical camps provide the poor population overall physical examination which includes eyes & health check up, assessment of the functioning of vital organs like heart, kidney, lungs, digestive system, liver.

## NSS 7 DAYS SPECIAL CAMP

**SIXTH DAY ACTIVITY—speech to educate people ABOUT NUTRITIONAL DISORDERS**

**VENUE— VANARWADI, TALUKA—Dindori, District--Nashik**

**DATE—1<sup>st</sup> FEBRUARY 2023**

**TOUR IS ABOUT—SPEECH TO EDUCATE PEOPLE ABOUT NUTRITIONAL DISORDERS**

**ACTIVITY—**At Vanarwadi, some of the students gave speech on importance of education. Activity was conducted under the supervision of Dr. Manisha Marda & Dr. Aarati Kitkule madam.

In this activity, Sadaf Thekedargave a beautiful explanation about health & hygiene. In her speech she gave lot of emphasis on daily brushing the teeth, keeping oral cavity clean, daily bathing, balanced diet & importance of personal hygiene. Then she told how anyone can prevent himself from cholera, malaria, typhoid, dengue, diarrhea, helminthiasis etc.

Shital Aghwane told about anaemia in which she told about what is anaemia, clinical features of anemia, sources of iron & vit B12. Sanyukta Aghashe told about importance of female hygiene & menstrual disorders, importance of using sanitary pads, napkins.

Ayush Kulkarni explained about addiction. He explained to community about hazards of addiction. He added note on social media addiction which is booming now a days.

### **BENEFITS OF SPEECH---**

- 1] Community will understand seriousness of good habits.
- 2] It motivates the community to leave bad habits.
- 3] People will become more aware about health problems than before.
- 4] By explaining the community about health problems, such activity helps in better communication.
- 5] Such an activity can boost the confidence of health providers.

Our case history includes preliminary data, chief complaints, personal history, past history, family history, systemic examination, clinical examination, diagnosis, investigation & prescription.

### **BENEFITS OF MEDICAL CAMP---**

- 1] It provides free & high quality medical services for the poor population.
- 2] Medical camp can be quite helpful in area of natural disasters.
- 3] Regular health camp can raise awareness about health in community.

- 4] Regular medical camp can also be helpful to find out rare & severe cases.
- 5] Health examinations & tests at early stages of illness can help to cure it faster.
- 6] Regular medical camps in a particular region will be helpful to find out of prevalence or incidence of any disease.
- 7] Medical camp can be helpful to educate the people how to prevent the infectious diseases.
- 8] Medical camps in rural area improves the quality of life for underprivileged people.
- 9] Medical camps provide free medical advice to people regarding diet & regimen.
- 10] Those who can not afford expensive treatment, can take treatment at camp at a very cheaper rate.

NSS 7 DAYS SPECIAL CAMP

SEVENTH DAY ACTIVITY—Health check up

BATCH – BATCH A+B

VENUE—Dhumane Lawns & surrounding area, Taluka—Dindori, District—Nashik

DATE—2<sup>nd</sup> February 2023

TOUR IS ABOUT—FREE HEALTH CHECK UP

ACTIVITY—

On 2<sup>ND</sup> February 2023, our activity was to conduct a free health check up at Dhumane Lawns & surrounding area. For this activity, we divided ourself into groups. We checked total 15 persons in that area. All the students were working enthusiastically.

BENEFITS OF HEALTH CHECK UP CAMP—

- 1] Regular health checkups will help the person to prevent illness & its complications.
- 2] It helps the doctors to properly evaluate the functioning of the various organs of human body like liver, kidenys, heart, and thyroid.
- 3] Health check up camp helps in identification of strees related diseases & addresses them right away.
- 4] Free health check up camp will be helpful to bring awareness amongst the underprivileged people.
- 5] By taking regular health checkups, there is possibility of early detection of life threatening diseases.

**NSS 7 DAYS SPECIAL CAMP**  
**SIXTH DAY ACTIVITY—SPEECH**  
**BATCH – BATCH B**  
**ACTIVITY—SPEECH**  
**DATE—1ST FEBRUARY 2023**  
**VENUE— MADAKI JAMB VILLAGE**

**TOUR ISABOUT—Giving speech about health & hygiene, female education, hazards of addiction**

**ACTIVITY—**

We [BATCH B] students visited Madaki Jamb village for giving speech on health & hygiene, female education & hazards of addiction. At Madaki Jamb, we divided into subgroups & we visited individually to houses where we explained about importance of hygiene & health to the people. We also explained them about importance of female education in today's world.

Some of our students gave importance of deaddiction & hazards of addiction to younger generation. During school camp, we found that many children were suffering from nutritional anemia. For this reason, we provided information about home remedies to treat anemia.

After this activity, we all gathered at Maruti mandir where, Miss Sadiksha Jadhav gave a beautiful speech on cleanliness.

Her speech includes following points---

- A] Health & hygiene
  - B] Importance of keeping environment clean
  - C] Diseases caused by uncleanliness
  - D] How to keep surroundings of house neat & clean.
- People of this village were patiently listening the speech & watching street play.

**Benefits of Speech—**

- 1] It helps to keep environment clean.
- 2] It sends an impactful message to everyone in a very short time.
- 3] It is a powerful medium to create social awareness in public.
- 4] Speaking in public boosts our confidence.
- 5] It improves our communication skills.
- 6] People get aware about diseases caused by uncleanliness.
- 7] People will take initiative to clean the environment.
- 8] People will start taking care of themselves & their families.
- 9] As speech is an easy medium to convey social messages to the society.
- 10] Speech will strengthen the bond between public & doctor.

Date: 11/02/2023

To,  
The Director,  
Student Welfare Department  
Maharashtra University Of Health Sciences, Nashik

**Subject :- Regarding activity taken for social awareness about cancer in the community.**

Respected Sir,

as per order given by medical education minister Mr. Girish Mahajan of Maharashtra, every college under (reference :- मआवि/वि.क. /रसियो/१९४/२०२३, दिनांक ०२/०२/२०२३) Maharashtra university of healthSciences, Nashik, should have to run rally and various activities regarding cancer awareness on the occasion of world cancer day. So DHMC - organised an activity regarding social awareness of cancer. Objective of activity - To create social awareness about cancer specially oral cancer and breast cancer.

Activity - students of 3rd yr from Dhanvantari Homoeopathic Medical College And Hospital, Nashik divided into two batches - batch-A and batch -B. Both the batches divided into small subgroups. Each subgroup was given a particular area for creating social awareness about cancer. Students told to citizens about cancer, type of cancers, causes of cancer and the general sign and symptoms of cancers. Students also gave information to community about the high risk factors of cancers.

Students gave a beautiful explanation about this topic. Citizens listened to students with great interest. Some of the citizens asked students about their queries regarding cancer.

The students were guided by Dr. Abhishek Pagare sir. He guided students about how to create awareness cancer in society.

Throughout this activity students were quite enthusiastic.

**BENEFITS OF CANCER AWARENESS**

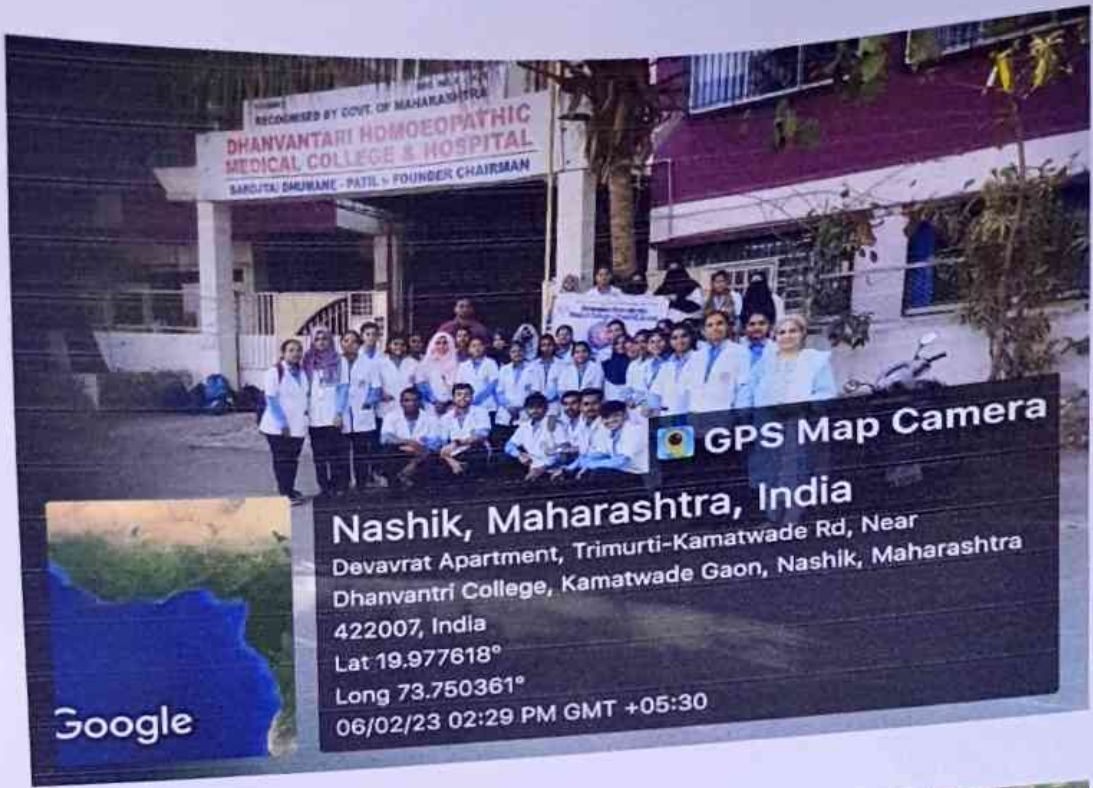

- 1) It can help the people to choose healthy lifestyle.
- 2) It help to motivate the people to quite smoking, Tobacco chewing, alcoholic drinks.
- 3) Cancer awareness helps to educations the people about cause, risk factors, prevention about the cancer
- 4) It can also helps to find out early cases of cancer
- 5) Citizens will know the potential carcinogens which can cause cancer

**Subject** - Regarding attending the conference of organ donation as per reference letter given by chairman of MRINJAY ORGAN FOUNDATION on date 24<sup>th</sup> January 2023 and 6 February 2023 [reference letter 250/2023]

**Respected Sir,**

As per letters given by MRINJAY ORGAN FOUNDATION, Dhanvantari Homoeopathic Medical College and Hospital, Nashik sent students of NSS for attending the conference.

**Venue** - Raosaheb Thorat Auditorium, KTHM College, Nashik

**Time** - 9AM - 6PM

**Date** - 18/02/2023 and 19/02/2023

**Objective of Activity** - To create social awareness about organ donation in society and in students.

**Topic of Seminar** - Importance of Organ Donation

Students from Dhanvantari Homoeopathic Medical College And Hospital, Nashik went for the seminar which was based on importance of organ donation. Student did there registration. There was a rally organized to convey the social message of importance of organ donation. All the college students attended this rally at 11pm, the first session took place regarding organ donation awareness after inauguration of the programme was over. inauguration was done by Shri. Dadasaheb Bhuse and Shri. Nitinbhai Thakare. Chief guest of the Programme was Shri. Hiranjanji Khoskar.

At 1pm, discussion was done regarding the role of medical field and medical education in organ donation. The discussion was done by DR. Ravindra Kute [president of IMA, Maharashtra], Dr. Bhausahab More at 2:15 pm, everybody took their lunch at 4:30 pm, second session started. The topic of the session was misconception in community about organ donation, charity and expected role of NGOS. This session was conducted by DR. Sushil Meshram, DR. Meenakshi Deshpande, DR. Kamakshi Bhate At 6 pm - 8pm, there was programme of music, dance.

19<sup>th</sup> February 2023 – The programme started at 10: 45 am. The topic was role of regional organ transplant and their coordinators it was scheduled in the presence of DR.Sanjay Rakibe, DR.Pravin Shingare , DR.Vaishali Bhamare , DR.Vipul Gattani at 2pm closing ceremony took place in the presence of DR.Bharat Pawar [Minister of state for public health and family welfare, GOI, New Delhi] and special guest Mr. Radhakrishnaji Game [Divisional Revenue Commissioner, Nashik].

Feedback of Students – Students were very much excited for the conference of organ donation. After the conference was over, students got the knowledge about the process of organ donation. They also got the fair idea that which organ is to be donated. They also found that the importance of spreading the message of organ donation in society.

### BENEFITS OF ORGAN DONATION ---

1. To save the life of patient
2. To give someone a second chance of life .
3. Enhancing the life of individuals in need .
4. Helping the families in need by giving them satisfaction and comfort knowing their loved one helped saved the lived of others

Maharashtra University of Health Sciences, Nashik.

**Subject :** Regarding activity taken to create social awareness about hazards of obesity in community

**Respected Sir,**

As per order given by medical education minister Mr. Girish Mahajan, every college under Maharashtra University of health sciences Nashik should have to run rally & various activities regarding awareness about hazards of obesity in the community on the occasion of world obesity day

**Objective of activity -** To create social awareness about obesity & hazards of obesity in society

Activity - Students of Dhanvantari Homoeopathic Medical College & hospital Nashik divided into 2 batches - batch A & batch B. Both the batches were divided into small subgroups. Each subgroup was given a particular area for creating social awareness of obesity in society. Students told the citizens about what is obesity, causes of obesity & hazards of obesity. Students also gave information about high risk factors of obesity. Students told what kind of diet should be taken to reduce or prevent the obesity. All students gave a beautiful explanation about this topic to citizens. Students were guided by Dr. Abhishek S Pagare sir. He guided the students about how to create social awareness about obesity in the community.

Throughout this activity, Students showed great enthusiasm.

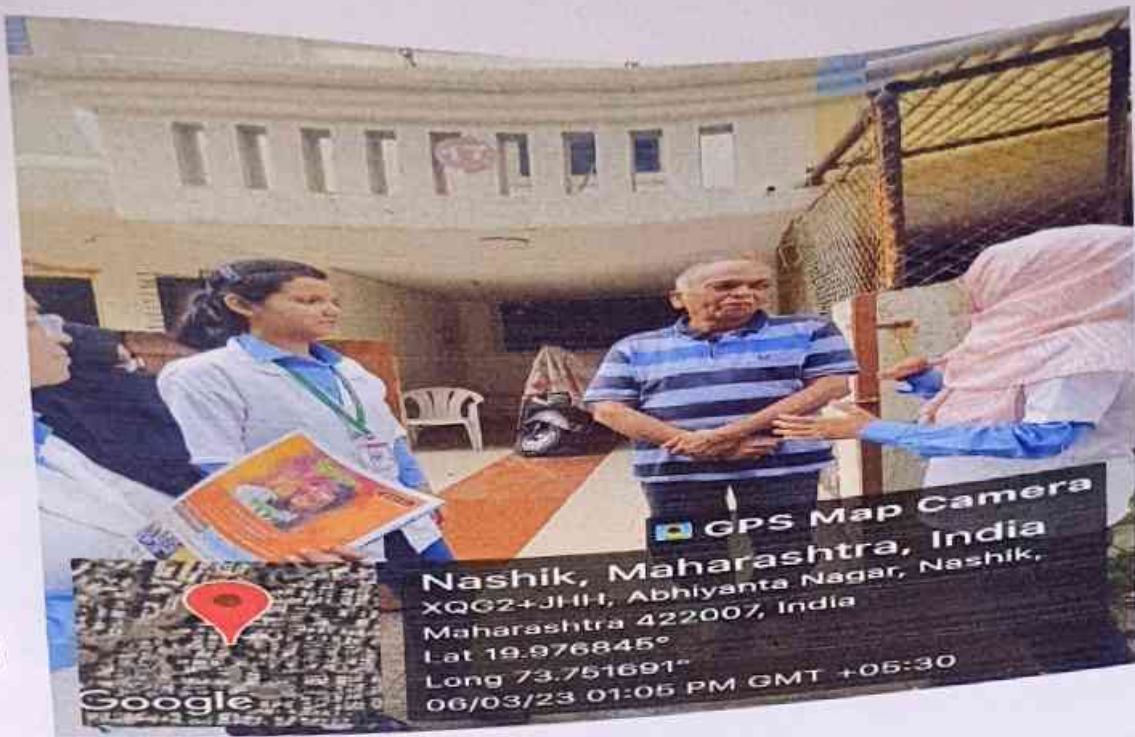

### **BENEFITS OF OBESITY AWARENESS—**

- 1] It can help the people to choose healthy lifestyle.
- 2] It helps the people to inspire people to avoid junk foods & fatty foods.
- 3] This helps the people to become more aware about physical exercises.
- 4] Obesity awareness helps community to understand what are the hazards of obesity.
- 5] Citizens will also come to know what are the potential risk factors of obesity.
- 6] People will adopt diet which is low in calories.

To,  
The Director,  
Student Welfare Department  
Maharashtra University of Health Sciences, Nashik,

**Subject** - Regarding activity taken to create breast cancer awareness in community on occasion of World womens day.

**Respected Sir,**

as per order given by medical education minister Mr.Girish Mahajan, every college under Maharashtra University of health sciences Nashik should have to run rally & various activities regarding creating social awareness about breast cancer on the occasion of World Womens Day.

**Objective of activity** - To create social awareness about breast cancer in society

**Activity** - On occasion of World womens day, as per order given by Mr.Girish Mahajan, students of Dhanavantari Homoeopathic Medical College were gathered on golf club ground, Nashik at 7.15am. Program started around 8am. Chief guest of the programme was Mrs. Kavita Thorat [Additional commissioner of Muncipal Corporation, Nashik]. For inauguration vice chancellor of Maharashtra University of Health Sciences, Nashik, Lt Gen[retd] Mrs.Madhuri Kanitkar was also present. Both Lt Gen[retd] Mrs.Madhuri Kanitkar & Mrs.Kavita Thorat [Additional commissioner of Muncipal Corporation, Nashik] gave small & beautiful speeches regarding this rally & motivated students to do such activities again & again.

At 9 am rally started from golf club ground. Then rally goes from CBS road--- Meher signal --- Ashok stamb---raviar karanja---red cross signal---Shalimar---ZP office & finally to golf club ground. Throughout rally students were announcing slogans of breast cancer awareness.

When students again gathered at golf club ground, students performed beautiful skit regarding breast cancer awareness.

All students were quite happy & enthusiastic in rally as well as while performing skit.

**BENEFITS OF BREAST CANCER AWARENESS**

1. It helps to detect breast cancer at a very early stage.
2. This programme will help the people to know the causes & risk factors of breast cancer.
3. Such programme will promote breast feeding in mothers.
4. Early diagnosis of breast cancer will increase the chances of survival of the patient who are suffering from breast cancer.
5. Breast cancer awareness will motivate the people to adopt healthy diet & healthy life style.

Maharashtra University of Health Sciences,  
Nashik,

**Subject**---As per the directives of MUHS student Welfare Department and the Letter Dated 20/2/ 2023. Reference number MUHS/NSS/497/2023

Our college participated in the Rally on Tuberculosis Elimination conducted by MUHS.

**Objective of activity**— To create social awareness about Tuberculosis in the community.

**Activity**---On occasion of World Tuberculosis Day, as per order given by Mr. Girish Mahajan, students of Dhanvantari Homoeopathic Medical College, were gathered on golf club ground, Nashik at 7.15am. Program started around 8am. Chief guest of the programme was Dr. Raj Nagarkar [chairman of surgical oncology]. Dr. Raj Nagarkar inaugurated this programme & gave a beautiful speech about Tuberculosis. He also advised to take precaution while handling the Tuberculosis patients.

At 9am rally started from golf club. Then, rally goes from CBS ---Meher signal --- Ashok Stamb---ravivar karanja---red cross signal---Shalimaar---ZP office & finally to golf club ground. Throughout rally, students were announcing slogans of Tuberculosis prevention. All students participated wholeheartedly and were happy to be a part of the rally.

Benefits of Tuberculosis Awareness---

1. It helps to detect Tuberculosis at a very early stage and will increase the chances of survival of TB patients.
2. This programme will help the community to know causes & risk factors of Tuberculosis.
3. Such programme will promote healthy lifestyle in community.
4. Early diagnosis of Tuberculosis will prevent the spread of Tuberculosis in the community.

Date: 10/4/2023

To,

student welfare department,

Maharashtra University of Health Sciences

Nashik,

**SUBJECT-** Rally Report of Awareness about Organ donation conducted as per directives of Department of Medical & Pharmaceuticals and MUHS. letter dated 05/04/2023.

**Reference number:-** DMER/All Dean/Dental, AYUSH/7<sup>TH</sup> April 2023 Lauch/2023.

Under guidance of Medical education minister Mr.Girish Mahajan, every medical college which is affiliated by MUHS has to run rally to create social awareness about organ donation in Maharashtra. As per the directives Dhanvantari Homoeopathic Medical college & Hospital had organized rally to create social awareness about organ donation.

**Objective of Activity---** To create social awareness about organ donation in community.

**Activity—** On the occasion of World Health Day , students of Dhanvantari Homoeopathic Medical College & Hospital gathered on golf club ground, Nashik to create social Awareness about organ donation in community at 7:15am. Programme started around 8am.

Chief Guest of the programme was Dr.Sushilkumar Wakchoure, principal of Health and family welfare training center, Nashik.

Special invitee were Dr. Vishal Gunjal (President of Indian Medical Association, Nashik),

Dr.Prashant Bhuthata (Ex. President of Indian Medical Association, Nashik)

Dr.Sandip Kadu (Controller of Examination, MUHS, Nashik).

Chief guest Dr.Sushil Kumar Wakchoure inaugurated this programme. He gave a speech on importance of organ donation and also emphasized on importance of being healthy as a doctor in society.

At 9am, rally started from golf club ground.

Then rally goes from CBS --- Mehar signal ---- Ashok stambha ---- Ravivar Karanja ---- Red Cross signal ---- Shalimar ---- ZP Office ---- finally to golf club ground.

Throughout the rally, Students were announcing slogans of good health, importance of organ donation and world . All students participated whole heartedly and were happy to be a part of rally.

At the end of rally, students of Dhanvantari Homoeopathic Medical College & Hospital. Perform a beautiful skit on thyroid disorders specially Hypothyroidism.

**Importance of organ donation:-**

1. To save the life of patient.
2. To give someone a second chance of life.
3. Enhancing the life of individual in need.
4. By transplanting the organ, life span & quality of life of recipient is improved.

To,  
Student welfare department  
Maharashtra University of health sciences  
Nashik.

**Subject:** Rally report on occasion of silver Jubilee of Maharashtra University Health sciences, Nashik as per directives given by student welfare department of MUHS letter dated 01/06/2023.

**Reference no:** MUHS/ 975/2023

As per directives given by student welfare department of MUHS, every medical college which is affiliated by MUHS has to run a rally for the celebration of silver jubilee of university. So Dhanvantari homeopathic medical college and research centre and hospital, Nashik had organized a rally.

**Theme of activity:** Integrated approach to wellness.

**Activity:** For the celebration of silver jubilee of Maharashtra University of health sciences, Nashik, students of Dhanvantari homoeopathic medical college and hospital and research centre, Nashik gathered at Golf club ground, Nashik at 6.45 am for rally. Rally started at 7.30 am. Chief Guest of the program was Dr. Madhuri Kanitkar (vice-chancellor of MUHS) inaugurated the program. She gave a beautiful speech on the importance of integrated approach towards diseases.

Rally started from golf club ground. Then proceeded to CBS -----Meher signal----- Ashok Stambh --  
----- Red Cross Signal ----- Shalimar -----and finally return To Golf Club Ground. Throughout rally students were enthusiastically announcing slogans of importance of homoeopathy and general health. All students had participated whole heartedly and were quite happy to be a part of rally.

**Importance of integrated approach:**

1. Integrated approach will be quite helpful in behavioural disorders of children for e.g. Autism, ADHD and Dyslexia.
2. Integrative medicine will treat the whole person including mind, body and soul.
3. Integrative medicinal approach will be very helpful in diseases like autoimmune disorders, infertility and menopausal syndrome.
4. Integrative medicine techniques support body's natural ability to heal.
5. Integrative medicine helps you reduce stress and promotes a state of relaxation that leads to better health.
