Subject—Regarding activity taken for social awareness about ill effects of drug

Respected sir,

As per suggestions given by Student Welfare department of MUHS, NSS department of every college has to perform various social activities. So, as per instruction given by, Student Welfare department of MUHS NSS department of DHMC organised an activity regarding social awareness about ~~ill effects of drug~~

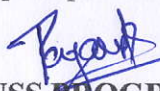

Objective of activity –To create social awareness about ~~ill effects of drug~~

Activity— NSS students from Dhanavantari Homoeopathic Medical College and Hospital & Research Centre, Nashik divided themselves into small groups. Each group was given a particular area for creating social awareness about ill effects of drugs. Students told citizens about hazardous effects of drugs & how it can ruin the life of the person. Students told what are preventive steps to be taken to avoid drug addiction. All the citizens listened all the information given by students with great interest.

Students were guided by Dr. Abhishek Pagare sir. He gave full guidance to students regarding social awareness about bad effects of drug addiction. Throughout this activity students were enthusiastic.

BENEFITS OF SOCIAL AWARENESS BAD EFFECTS OF DRUG ADDICTION----

- 1] People will get more aware about hazardous effects of drug addiction.
- 2] People will get more aware about hazardous effects of tobacco chewing & smoking.
- 3] People will avoid drinking alcohol after listening the dangerous effects of alcohol consumption.
- 4] If regular activity of social awareness of drug addiction is done, then it will increase the productivity of youth of India.
- 5] Constant dialogue with children & youth population will help them to prevent drug addiction in future.
- 6] By raising awareness about bad effects of drug addiction will make family bond more stronger against drug addiction.
- 7] People will pay more attention to their good health.
