REPORT ON WORLD HOMOEOPATHY WEEK CELEBRATION

DAY 1

Date: 4th March 2026

Time: 10:00 AM to 12:00 PM

Venue: First BHMS Classroom

World Homoeopathy Week was celebrated with great enthusiasm at our institution. The program commenced with an inauguration ceremony, followed by paying tribute to the founder of Homoeopathy, Dr, Samuel Hahnemann, acknowledging his invaluable contribution to the medical field.

The highlight of the event was an insightful lecture on the “**Scope of Homoeopathy**” delivered by **Dr. Ravi Aher**, Assistant Professor in the Department of Organon of Medicine. The session was attended by students of First to Fourth BHMS.

During the lecture, Dr. Aher elaborated on the wide scope and future prospects of Homoeopathy in modern healthcare. He also presented and explained various clinical homoeopathic cases, which helped students understand the practical application of theoretical concepts.

The session was highly interactive and informative, enriching the knowledge and interest of students in the field of Homoeopathy.

At the end of the lecture, Dr. Abhishek Pagare expressed appreciation and gratitude towards Dr. Aher for delivering such an enlightening session.

The program concluded successfully with active participation from students and faculty members, marking a meaningful beginning to the World Homoeopathy Week celebrations.

Report on World Homoeopathy Week Celebration – Day 2

Event: Digital Poster Making Competition

Date: 6th March 2026

Time: 10:00 AM to 12:00 PM

Venue: First BHMS Classroom

On the second day of World Homoeopathy Week, a Digital Poster Making Competition was organized for students of First to Fourth BHMS. The objective of the competition was to enhance students' creativity and deepen their understanding of homoeopathic concepts.

A total of 7 students actively participated in the competition. The topics assigned for poster presentation included Sources of Homoeopathic Medicines, Case Report, and Hering's Law of Cure. Participants prepared digital posters without the use of AI tools, ensuring originality and authenticity in their work.

The event was coordinated efficiently by Dr. Snehal Nikam and Dr. Rupali Shimpi, who guided the students throughout the competition.

The posters were evaluated by esteemed judges Dr. Gulfisha Mirza and Dr. Yogini Mahajan, who assessed the participants based on creativity, content accuracy, and presentation skills.

Results of the Competition:

First Prize: Shreyash Dixit

Second Prize: Siddhi Dabe

The competition witnessed enthusiastic participation and showcased the innovative ideas and knowledge of the students. It proved to be an engaging and educational activity, contributing significantly to the celebration of World Homoeopathy Week.

The event concluded successfully with appreciation for all participants and organizers.
