Appreciation

It is a matter of great pride and honour to extend heartfelt appreciation to **Dr. Manisha Shinde, HOD & Professor of Homoeopathic Materia Medica** for her remarkable academic contribution and achievement.

She has been conferred recognition by the **International Journal of Creative Research Thoughts (IJCRT)** for her research paper titled "*To Evaluate the Role of Homeopathic Medicine in Management of Polycystic Ovarian Syndrome (PCOS)*". This accomplishment reflects her deep commitment to advancing knowledge in the field of homeopathic medicine and women's healthcare.

Her work demonstrates a thoughtful and scientific approach toward understanding PCOS, a complex endocrine disorder affecting many women worldwide. By exploring the role of homeopathic medicine in its management, Dr. Shinde has contributed valuable insights that may support further research and holistic treatment approaches.

This recognition from an international peer-reviewed journal highlights her dedication, academic excellence, and passion for improving patient care through evidence-based homeopathic practice. It is also a testament to her perseverance in contributing meaningfully to medical research.

We sincerely congratulate Dr. Manisha Shinde on this well-deserved achievement and wish her continued success in her future research endeavors and professional journey.
